

KART NEWS | WINTER 2017

Welcome to the Winter edition of the KART Corner.
Thank you for your support.

"We will tell the next generation the praiseworthy deeds of the LORD, his power, and the wonders he has done". Ps78:4

November Activity Day

It was great to be part of a team from Templehall Church and KART Volunteers.

The Son of Man came to seek and to save the lost ones.

We spent the morning with 20+ primary aged looking at the story of Zacchaeus. The kids spent time learning more about the story of Zacchaeus through drama, art, crafts and games. It was really encouraging to see the children enjoying spending time learning about how we can all be friends with Jesus.

On the 18th and 19th of November KART held a 'Love your Street' event. This was an opportunity to pledge £5 and then to pray for your street, your neighbours, children in your street and the school closest to where you live. 50 streets were prayed for and all our local schools. We thank you if you supported KART in this way. If you would still like to take part and pledge to pray for your street and local school then please text

'Let the little children come to me, and do not hinder them, for the Kingdom of God belongs to such as these...' Luke 18:15-17

By Maureen Latto

Chris has been away this week at an SU Conference, so I got to go along to the primary SU groups at Fair Isle Primary School to assist Wendy and Kinghorn Primary School to assist Hazel.

I knew they had been learning about the parables of Jesus, so I thought I would ask them what they had been learning about Jesus over the term. I wasn't sure what to expect as usually if you ask a child what they did at school today it's usually 'I can't remember'. Well to my delight this is what they answered:-

"The lost son the one who got his share of money from his dad and blew it". "Not to build your house on sand". "The one about the guy who got badly beaten up and left and ignored by everyone even religious people and a complete stranger helped him". "The lost sheep". "The story about being invited to a banquet". "The servants who were given money to make more". "The vineyard story and the story about the seed".

I was over the moon. They may not have remembered the correct titles of the parables, but they understood the message. Well done Chris, Wendy and Hazel. Your work is taking root.

SU - P5 - S6 Weekend February 2nd -4th 2018

Please pray for the 12 young people from this area who will be attending this weekend at Lendrick Muir led by Bruce Lockhart. Pray for them to grow in their depth and understanding of the Christian faith.

We're looking to the future of KART and how we finance the charity so that more and more children in our schools can hear about the good news of Jesus.

We have been grateful for the grants given to us especially from the Joseph Rank Trust, however we would like to ask whether you or someone else could commit to regular giving.

Alongside the local churches we are looking for 70 more people to give.

If you are a tax payer you can also take advantage of Gift Aid which enables us to claim back from HMRC additional amounts to your giving, maximising your investment.

PLEASE CONTACT ALISON DOYLE IF YOU CAN HELP SUPPORT KART IN THIS WAY.
