

Report for Kirkcaldy Street Pastors Saturday 7th September
On patrol were P.B, L.C, L.C. SP LONDON, observer S.D. J.McK (Team Leader)
Weather - Dry

After a time of fellowship and prayer we went on patrol. As we left the Salvation Army Hall we meet a man who was telling us that he was homeless and that he didn't get any benefits. We asked him if he wanted soup later on and he said yes, so we told him to come to the Salvation Army hall at 12.30 and we would give him soup, rolls and tea or coffee but he never showed up and we didn't see him again. Please pray that he was able to get the help he needed.

We went down to the High Street to the Heritage Bar where we spoke to a man and woman during the conversation we find out that they are brother and sister and their father and them worked at Gray's Scrap Merchant. Pray for them as they work together that they are a united family.

As the town was very quiet we headed back up the High Street speaking to doormen on the way. We walked up to the Duchess then on to Society, from there we headed up to the station chatting to a few people on the way. While waiting on the train coming in we spoke to a young man from Dundee who had been out with a few mates. He was telling us that he had a child and another on the way. Pray that all will go well for this family. We also spoke to a young lady who had been out with some uni friends, she was also a paramedic based in Arbroath but she told us you can be in Aberdeen one minute then a call to go someplace else. Pray for journeying mercies as she goes about her duties. When the Dundee train came in there was a bit of a fight and people were jumping from the train and getting involved. When things quietened down the guard phoned the police which held up the train. One of the men who was fighting got a cut on his head we cleaned it up and told him to go home and he went away. We spoke to a young man from the train he was telling us that the two guys were arguing on the train. Pray that their differences would be resolved.

After the train left we headed to the Salvation Army Hall for our break when S.D. and L.C. went home. We headed down to Society where we walked about until 2.45 as it was very quiet we headed back to Salvation Army Hall to get ready to go home. Again our thanks to all the support teams who provide essential prayer support and enjoyable refreshments.

Jimmy
