Do you have any old spectacles lying in a drawer? If so, you could be helping millions of people in the developing world who simply need spectacles to lead a normal life. Vision Aid Overseas is a charity who send teams of volunteer professional Optometrists and Dispensing Opticians to carry out eye tests and provide spectacles appropriate to the patient's needs. A box is in the vestibule and all spectacles will be gratefully received.

**Book of Remembrance:** Anyone who would wish the Book of Remembrance to be opened at a particular page - on the Sunday nearest to an anniversary - is requested to insert the details into the appropriate date in the small diary which lies beside the Book.
