A group of Dunfermline Churches launched the second year of #angelseverywheredunfermline with the arrival of two sets of wings; one at the Louise Carnegie Gates to Pittencrieff Park, the other at the Queen Anne Street entrance to the Kingsgate shopping centre.

Rev MaryAnn Rennie explains that, *"This year we picked up the theme of angelseverywhere as an opportunity to try and encourage a little lightness into all of our lives, and as a reminder of the kind of angels that may be in our midst."*

The group asked Fife College if they would be willing to make angels wings that others could stand in front of for "selfies". Dennis Savage and his team at Fife College said "yes", and what they have created is perfect!

The project continued to grow further as over the next few weeks others said "yes". The Kingsgate Centre offered a unit to display children's angel artwork. Dunfermline High School created a series of photographic images and these were shared in various forms. And Fife College gave a third set of wings that appeared over the weekend.

Rev Muriel Willoughby describes it being, "great to see the variety of folk who dropped into the unit from teachers coming to see their class work, the centre security guard, a Tesco employee who is a Christian and was glad that we were taking the opportunity to share the Good News, to lots of families with children coming to see their handiwork."

Rev Mike Weaver highlights that, "the team who have met and worked on this has not had to be wholly minister led and it's wonderful to see cross church working, and of course the buzz from those who have 'delved' into the Kings Gate centre. My prayer would be for more of this shared work in the community, encouraged by ministers growing in relationship and our "congregations growing in appreciation of one another."

There are other surprises to come. But in the meantime the hope is that residents and visitors to Dunfermline will take some pictures and post them to Instagram and Facebook with the hashtag #angelseverywheredunfermline

The churches are very grateful to all those who have said "yes". And look forward to expanding this and other shared mission initiatives in future, as to quote MaryAnn, "there is lots of hope to be shared"!

Angels are Everywhere by Nancy Crossman

*Angels walk among us,
But they're very hard to see.
No wings or halo do they have,
They look like you and me.*

*The thing that makes them different,
Is the kindness that they show,
To each and every human being
Everywhere they go.*

*When a homeless person reaches out,
And most of us rush by,
The angel will not question him,
It doesn't matter why.*

*Angels don't see colour or creed,
To them we're all the same
An open mind is a beautiful thing,
And it's their claim to fame.*

*Angels never need reward,
For the service they provide.
Recognition not what they seek,
Their conscience is their guide.*

*Take a look inside yourself.
Could there be an angel there?
You may not have to look too deep,
Cause angels are everywhere.*

Fife Presbytery 2:10 Mission Fund Results

"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." - Ephesians 2:10

I'm delighted to share with you the results from Fife Presbytery's first 2:10 Mission Fund!

The 2:10 Mission Fund was designed as a creative approach to support and develop mission initiatives across Fife Presbytery, by: putting our money where our mission is!

We advertised in November as having £30k available to distribute before the end of the year, or otherwise lost to Presbytery.

Our priorities on this first occasion were to fund mission initiatives that either:

- ***Developed mission through new worshipping communities*** OR
- ***Engaged and attracted those under 40 including children and young people***

These reflected goals identified at our recent Presbytery Strategy Workshop in September.

Despite a very tight timescale, you responded and the Board of Mission received a high number of excellent applications from across Presbytery, applying for a total in excess of £90k!

This meant that shortlisting was challenging for us and a number of otherwise good applications were not taken forward. However, we did select and shortlist 5 excellent mission initiatives.

Then it was over to you. Over 300 people across presbytery participated in the Fife Presbytery 2:10 Mission Fund: Your Choice voting!

Thank you to everyone who voted and participated.

Results

With thanks to the diligent and effective management of Presbytery finances by Sarah Wood and the Board of Management, the final available budget for the 2:10 Mission fund was confirmed as being higher than the £30k originally advertised. The final Mission Fund available totalled: £50k!!!

I'm pleased therefore to share that the results are as follows:

2:10 Mission Fund full awards (up to £10k):

Kirkcaldy Area Reachout Team - Various
Kingdom Think Tank - Dysart St Clair
Fife Pilgrim Way - Various

2:10 Mission Fund partial awards (£5k):

Children & Family Outreach Project - Dunfermline East
Me & You @ Abbey View - Dunfermline St Ninians

2:10 Mission Fund small grant awards:

Cafe Worship - Carnock & Oakley
Messy Church & Youth Project - Ceres, Kemback & Springfield
Open House - Gillespie Memorial
Sound Off & Connected Bible Study - Templehall & Torbain United

Total awarded: £50k

Congratulations to all our successful mission initiatives! Further details about grant awards will follow soon.

Fife Presbytery has chosen to support a range of innovative and pioneering mission initiatives!

We look forward to sharing with Presbytery over the coming year about how these initiatives develop, and ask in the meantime you keep them in your prayers.

Thank you for participating in our first 2:10 Mission Fund.

With Every Blessing,
Neil

Poverty: The Perfect Storm

Fife Presbytery Poverty Conversation

Tuesday 25th January, 7.00-8.30pm via Zoom

Registration via: <https://www.eventbrite.co.uk/e/fife-presbytery-poverty-forum-tickets-221862575937>

Registration is requested to assist meeting preparation.

The thief comes only to steal and kill and destroy. I came that they may have life, and have it abundantly. - St John 10 v10

Pre 2019 Pandemic, the numbers of people experiencing one or more of the seven categories of poverty detailed in the Scottish Index of Multiple Deprivation were increasing. The impact of the pandemic has enlarged the numbers across the board.

Many parish churches have been working with families, schools, community groups, charities, council, ecumenically and with Council and Third Sector agencies to defeat the evil of poverty. As a new presbytery, how can we respectfully discern usefulness and potential impact, to complement and build on this work?

The 5 Marks of Mission include these commitments:

3. To respond to human need by loving service
4. To transform unjust structures of society, to challenge violence of every kind and pursue peace and reconciliation
5. To strive to safeguard the integrity of creation, and sustain and renew the life of the earth

Fife Presbytery Moderator's Fund

Jane would like to use the Fund to get this work off the ground, so that it starts here and now and grows in the way we have yet to discover and for whom.

Joined by partners from Faith in Community Dundee, Fife Voluntary Action and Fife Council who can help us with a pilot into Spring 2022, and possibly beyond.

You are warmly invited to join this conversation

Coming 2022 - Let's Explore Discipleship

We hear the word disciple and we might instantly imagine 12 bearded guys but what does discipleship mean for us today? Fife Presbytery in partnership Hannah Sanderson (Congregational Learning Team), are going to be running some interactive small groups in 2022 exploring what it means to follow Jesus. We'll be looking at how our relationship with God is life-long and ever changing.

These small groups are open to anyone, you don't have to be in leadership – it is about how we are disciples together: Faith is easier with friends!

Fife Presbytery ACORN Groups

Following our recent Talking Mission, Fife Presbytery has initiated 3 ACORN Groups, which are open to all.

ACORN gives us a way to share our faith and encounter God by praying daily 'Lord who do you want me to connect with today?' then meeting with others weekly or fortnightly for an hour to report back and notice God at work.

Groups take place on Zoom.

For more information and if you would like to join a group, please email fife@churchofscotland.org.uk and you will be put in touch with your group facilitator. (Anyone can join in with ACORN - if you are housebound or isolating you can make phone calls or connect online; if you are incredibly busy, learn to find God at work in the busyness!)

If you are interested in participating but these dates don't suit, or you would like more information, please contact aileen.christie@churchofscotland.org.uk.

**FX National Gathering
29th - 30th March**

First fully hybrid gathering; we're working in collaboration with Wild Duck Productions to ensure those gathering online will have the same experience as those meeting in-person at the Hayes.

The theme is 'MORE THAN' and over the 2 days we'll be asking a number of questions including;

Is now, in this post-Covid world, the time when we are being invited to lift our eyes higher?

To dream in terms of multiplication not of addition?

To believe that there is MORE THAN we might be able to see, and to be confident in the abundance of God?

Is now the moment of 'Do It Again!' - the final circle in the fx journey?

The Gathering will include a Q&A with a panel of movement makers, seminars, a keynote session from Alan Hirsch and of course, time to connect, share stories, dream, be encouraged and have fun!

Booking details and contributors will be released in the New Year, so save the dates in your diary and look out for more information to follow in January!

Huddle

A place to find support, be equipped & grow in your leadership calling.

At Cairn we believe in the importance of investing in what matters and that is you. *We all know that leadership is not easy... we need support along the way and that is what huddle is about.*

Often as leaders we function in spheres where we are leading, where we are looking to get the best out of others, and aiming to release potential in our leaders, teams and organization but often forgetting to invest in ourselves. Huddle gives the opportunity for you to have that investment and gives you the opportunity to find support, be equipped and grow in your leadership and calling with a group of peers on a similar journey as yourself.

You can choose from three streams of Huddles;

- The Pioneer Ministry Huddle, for those in a frontline, missional context either planting a church, new mission initiative or similar pioneering environment
- the Established Church Huddle, for those in a more established form of church but looking to adapt and grow missional expressions
- The Spiritual Formation Huddle, for those seeking to find a better balance in ministry life that brings fruit, rest and spiritual growth.

Sharing Jesus is a resource designed to help people add a spiritual dimension alongside what you're already doing. It has ideas for sharing Jesus in a new worshipping community, Fresh Expression of church, missional community or church plant as well as community groups.

Over the 30+ years of pioneering new, contextual forms of church we've found that the part of the Fresh Expressions/Loving First journey people struggle with the most is introducing a spiritual element to their gatherings in a sensitive and contextual way which is why we created this resource.

Sharing Jesus adopts an open-handed, walking together, learning from one another, asking questions approach. It's not about telling people what to believe, but about saying to friends: "This is what I am finding helpful. What do you think? Might we explore this spiritual path together?" It includes seven topics, each with a video animation, a video story, and a short downloadable guide with additional ideas and explanation. The resources are arranged logically to give them a shape, but please don't follow the order! Go to the section that most interests you.

AllChurches Trust

AllChurches Trust like to fund projects that demonstrate an impact on people and communities. Applicants should include clear (and where possible, measurable) outcomes for projects and demonstrate how they will ensure sustainability beyond our funding. It's also important to show how additional funding support will be sought to enable the project to be completed.

Our open grants normally fund capital projects and equipment, not salaries or running costs, with the exception of our transformational and Hope Beyond programmes. In most cases, we give a small percentage of the project cost as this enables us to say yes to more worthwhile causes, although we do occasionally give larger grants.
