Adam Broughton - Chair

My name is Adam Broughton. I am the Minister at Newcraigs Evangelical Church in Kirkcaldy and also the Chair of the KART Management Committee.

Welcome to the new style KART Corner keeping you up to date with news, views and articles as we continue reaching out with the good news of Jesus in schools and churches in Kirkcaldy and beyond.

Chris Beattie - KART Worker

Bringing the **BIBLE** to life

In early June, I spent three days in Frinton on Sea, Essex, training to become a qualified presenter for 'Walk through the Bible Ministries'. WTTB is a program designed to support the Moral and Religious outcomes within the Curriculum for Excellence and teaches the big picture of the Bible through story telling, drama, film and multi-media helping children in P6 and P7 grasp the big picture.

There are 5 x 1 hour Old Testament lessons [OT Mini - 40 stories] and 5 x 1 hour New Testament lessons [NT Mini - 40 lessons] from Creation to Christ. Each story is remembered with a hand sign and key word. Work maps with pictures, books of the Bible, locations and key words are given to each child.

We're excited that we are now able to offer this unique learning program to the schools. Please pray with us as we approach the head teachers and offer this support to staff and pupils.

Plans for 2019 are for Churches in the Kirkcaldy Area to experience Walk through the Bible - OT LIVE - look out for details coming Autumn 2018.

A New Logo for a New Decade!

Alison Doyle - Publicity

As we approach the 10th year with Chris Beattie as our key worker, we have decided to up date both the KART logo and the KART website. We hope you like them as much as we do. We felt it gave a more contemporary feel as we continue to promote a message that never changes - the good news of Jesus.

On our new website you can keep up to date with key events, download key documents, view our promotion video and donate directly to the work of KART.

Subscribe to our newsletter and never miss an update as well as like us on our facebook page.

Maureen Latto - Finance

For less than the cost of a cup of coffee a day you could invest in the work of KART!

We're looking to the future of KART and how we finance the charity so that more and more children in our schools can hear about the good news of Jesus.

We have been grateful for the grants given to us especially from the Joseph Rank Trust for the past three years. As this has now come to an end we would like to ask whether you or someone else could commit to regular giving.

Alongside the local churches we are looking for 70 more people to give so that we can fully support the on going work.

Coffee Break with **BRUCE**

Meet Bruce Lockhart -
SU Regional Worker

Q Who are you? And what do you do for a day job?

A I'm Bruce Lockhart and I work for Scripture Union Scotland as the Regional Worker covering Perth, Kinross and Fife with other National Responsibilities.

Q What do you do in your spare time?

A With 4 children from school age to Hannah who has recently left university, I spend a lot of my time running around after them – sounds familiar? Otherwise I love spending my spare time kayaking where I've even managed an Eskimo roll and I feel well chuffed with myself. I have been known to do a bit of juggling and when my wife's not looking, fire eating!

Q What are the challenging & rewarding parts of your job?

A I absolutely love my job which has many challenges and rewards on a daily basis. Some of the challenges involve responding to the significant needs of young people in a world that has become very confused and pressurised. Knowing the right strategy and what to do when there are so many opportunities can be difficult as I make steps to be proactive for God and not just reactive to the many demands.

The rewards however far outweigh the challenges. These would include seeing young people grow in their faith / relationship with Jesus, being involved in helping children and young people discover who Jesus is and the difference he makes to their lives. There is nothing more exciting than seeing a child or young person explore the meaning and purpose to their life. Enabling a great team of volunteers and working alongside the churches is both humbling and rewarding. It is so encouraging to see leaders use their gifts and develop their skills.

Q What is your connection with KART?

A I have been involved with KART since the start, initially as we set it up and explored what we wanted to achieve and the practicalities of establishing the trust. My role as the SU regional worker is to be part of the management group and advise accordingly. This involves the line management of the worker. The trust/management group decides the direction and strategy and I provide the line management to enable this to happen. I work closely with Adam, the chair of the management group, and we consult as necessary.

Q How would you like to see ministry grow and develop between SU, KART and Churches in Kirkcaldy?

A The stronger the communication and as a result connection, the better. Churches are central and our (KART / SU) role is to work alongside - partnering in reaching Kirkcaldy for Jesus. I would love to see us all working closer together to reach the children and young people more effectively.

- Supporting churches help their young people grow in faith.
- Enabling a greater understanding of young people and their needs in a rapidly changing world.
- Meeting children and young people where they are and walking with them as they ask the big questions in life and work out their identity.

One of many ways SU Scotland does this is by running residential's for children and young people. This is a great way to help the churches develop their relationships with their own young people and build on the work they do. We also run Christian leadership events. The Go Conference for example is an event to encourage 4th to 6th year pupils live for Jesus in their area. Two young people came back to the church I go to inspired to put their faith into action. What is God calling me to do in my church, school, area?

This to me encapsulates my role with SU, KART and the church and where I would like to see the ministry grow. Other ways I would love to see things develop is helping churches support their local schools generally and enable volunteers from local churches to run SU groups in schools. These are important links as we seek to support the local school.

Bruce Lockhart

This year, at Lendrick Muir, Chris is a leader at a football camp from 7th-10th of July and then leading a multi-activity camp from 11th-14th July.

Give thanks that all the places at the camps have been filled. Pray for all the children attending that they enjoy the camp, make new friends and learn more about God and his love for them.

Could you help serve KART?

- Serve and support on the Management Committee. Members serve for 3 years.
- **Help establish, support or lead an SU group in a school near you. We are always looking for volunteers to work with Chris.**
- Become a 'Prayer Champion' in your church. We would like to have every school prayed for on a regular basis. Keep your church up to date with news and be part of a growing network of prayer.
