Sunday 24 th October	11.00 a.m.	Morning Worship & Sunday School

Intimations

Today is our first celebration of **Communion** since the Covid pandemic. All are welcome to share in bread and wine.

Changes in Covid restrictions: The one way system in the sanctuary has now been removed and 'test and trace' operates only for teas and coffees after the service. We are still operating a 1 metre social distancing area in the sanctuary. Please ask the welcome team for details. The remainder is restriction free.

Teas and coffees have now resumed in the Methven Hall after the service and you are welcome to stay. Masks should be worn except at tables.

Sunday School resumes next Sunday morning at 11am. Children come into the church, then go out after the 2nd hymn.

Zambia Appeal: The total raised for the family in Zambia as part of our Appeal, Yard Sale and Harvest offering is now over **£1,000**, which will help to support them for next year.

The Olive Branch Café is open once again, serving teas, coffees and home baking from 11am every Thursday, with soup and light lunches available from 12 noon.

The next **Coffee, Book & Chat** is on 27th October at 10am. All welcome.

The Women's Group now meet monthly. The next meeting is on 2nd November in the Elgin Room, when Anne McIntyre will be speaking about Church windows.

There will be a **Newsletter** fairly soon. Any material to Ragnar or Liz.

Quiz: A new quiz is available this morning all about the east coast of Scotland. Copies are available in the Methven Hall and also online, where you will find the answers to the last quiz.
