This year there is a Spree App which you can download to your phone when you register your book online. This will give you extra vouchers free of charge for three months.

For every book sold (for £20), we earn £5 for The Open Door Project! This year you'll see two vouchers for the Olive Branch Café in the Spree Book so you can afford to invite a friend on two occasions for a soup & sandwich combo & cup of tea and get yours free!

Your spend on the Spree Book is very easily covered by the money you save eg dinner for two at the Kingswood hotel – using a voucher for one main course would save you £12. Lunch or dinner at 50 High Street for two would save you £10.50. Already quids in!

There are also some vouchers valid in Dundee and Edinburgh, handy for holiday times. All vouchers valid until 1<sup>st</sup> October 2016.

So, if you'd like to help raise funds for the Open Door Project while saving yourself a tidy wee sum, please speak to any of the Open Door Project Team - Alison, Christine, Phil, Graham or Dianne, and we'll get your Spree Book to you asap.
