Taster sessions for disabled children at The Yard Fife

What is The Yard?

The Yard Fife in Kirkcaldy supports disabled children and young people, and their families, through adventure play. We offer creative and inclusive play experiences in a well-supported environment, with wraparound support for the whole family.

What do we offer?

Free taster sessions for new families to visit The Yard Fife for the first time on Saturdays and Sundays. This is a great opportunity for your family to experience what The Yard has to offer - messy and sensory play, arts and crafts, mud kitchen and much more.

How does it work?

Booking is essential, please get in touch to book your time slot. After your first visit, you can decide if you would like to become members of The Yard to keep visiting our play sessions. We welcome your whole family, including siblings, whether or not they have a disability.
